Kerry Fitzgerald 9336 5284
www.freosearescue.org.au

Cockburn Departure:

Mike Graham 0409 103 029

Then why not do so in absolute safety with the people who have over 100 years experience caring for you and your family on the water.

Who better to inform boaters of the safe way to navigate to and around the island than Fremantle, Cockburn and Whitfords Sea Rescue. There is over 100 years experience between the three groups and Fremantle has had a rescue vessel permanently moored at the island for over 10 years. The one day convoy will tour several bays and focus on the whole family including children in the use of radios, steering a rescue boat and learning about the safety equipment.

Participants can choose to return on the same day or early the next morning both in convoy with our rescue vessels. We have many new and exciting ideas for a varied format. There will be a barbeque at the end to revise the events of the day and for participants to gather information about boating and moorings around Rottnest. Bookings are essential so call now.

\$60.00 per boat plus landing fees if applicable.

We care about your safety
