

**Your boating
SAFETY
is our concern**

Keeping your family and property safe at sea requires planning and preparation.

Join Whitfords Sea Rescue Group to add the protection of our 24/7 SAFETY SERVICE.

Logon with VJ6LQ every time.

**SAFE BOATING
STARTS WITH YOU**

Benefits of subscribing

When you subscribe to our radio network, you will receive an Ocean Reef call sign to use when you log on for your boating trip. You will also receive discounts on our training courses.

Your contact details and information about your vessel, trailer, mooring location and safety equipment will be held on our database. So whenever you call up on 27Mhz, VHF or HF radio, or by phone we have all your information at our fingertips.

Our SAFETY Services

- We keep 24 hour watch, 365 days per year on phone, 27Mhz, VHF and HF radios.
- We have 3 purpose built, dedicated rescue vessels with around 90 volunteer crew members available to respond at any time of day.
- We have over 40 years experience in dealing with distress situations, breakdowns, medical emergencies, capsizes, groundings and onboard fires.

Other services include

- Education courses (discounts for Subscribers):
- Advanced Boating Skills
 - Coastal Navigation
 - Radio Operators Proficiency Certificate
 - Private Tuition

(visit us at www.whitfordssearescue.org.au for details).

Tailored education courses for schools and colleges.

Rottneest, night-time and local navigation convoys.

Guest speakers for schools, clubs and volunteer organisations.

**LOGON - 27Mhz channel 90, (emergency 88)
- VHF channel 73, (emergency 16)
(if unable to contact us on 73, use Rottneest Repeater on 81) or
phone 9401 3757.**
